Thomas Purtell, Attorney

9:02 AM

Defendant present in custody. All counsel present in open court.

The Court was informed by the Yolo County Sheriff's Department that contraband was found in the defendant's cell. Defendant is present in custody with handcuffs by order of the court due to this security issue.

The Court states discovery of the incident will be available to counsel through normal processes.

District Attorney Jeff Reisig and defense attorney Hayes Gable briefed the Court on the status of their investigations.

Defense counsel Hayes Gable requests a three month continuance to investigate discovery.

District Attorney Jeff Reisig informs the court the majority of discovery has been provided to

defense counsel.

District Attorney Jeff Reisig states the People do not waive time, and requests a trial setting conference in one month.

Court finds good cause not to set a trial immediately based on the status of the defense's current investigation.

The Court set Trial Setting Conference on Friday, November 21, 2008 at 9:00 AM.

Court informed counsel that if either believes there is a reason to set a trial date beyond the 60 day time limit from November 21st, the requesting party must file documents showing why the trial could not begin within the 60 day time limit.

9:10 AM

Court adjourned.

Defendant remains in the custody of the sheriff without bail; parole hold in place.
